

PATIENT PORTAL CONSENT

Name: _____ Birth Date: _____

Email Address: _____
(Please provide email address to which you have consistent access)

ABC Children's Clinic's "Patient Portal" is a secure confidential easy to use website, administered and maintained by Office Practicum on behalf of ABC Children's Clinic. The portal uses encryption and gives 24 hour access to your medical record. Secure messages and information can only be viewed by someone entering the correct username and password to log into the Patient Portal site. We will assign you this login information upon completion of this form.

From this portal you can:

- Request appointments
- View and print immunization records
- Request and print completed school, camp, and sports physical forms
- View lab results
- Request prescription refills (controlled medications do not apply)
- View your child's health records
- Send messages to clinical staff
- Update contacts, address, and other demographic information
- View and request specialty referrals
- Review and print care plan

Once you have reviewed, signed and returned this form to ABC Children's Clinic, we will give you a username and password to set up your portal account.

PARENT/LEGAL GUARDIAN ACKNOWLEDGMENT AND CONSENT

I acknowledge that I have read and fully understand this consent form. I have been given risks and benefits of the Patient Portal and agree that I understand the risks associated with online communications between my physician and myself, and consent to the conditions outlined herein. I acknowledge that using the Patient Portal is entirely voluntary and will not impact the quality of care I receive should I decide against using the Patient Portal. In addition, I agree to adhere to the policies set forth herein, as well as any other instructions or guidelines that my physician may impose for online communications. I have been given an opportunity to ask questions related to this agreement and all of my questions have been answered to my satisfaction.

Parent/Legal Guardian Signature _____ Date: _____

Relationship to patient: _____

ACCESS PATIENT PORTAL
